

# Sponsorship Opportunities

Colorado Artists in Recovery (CAiR) is a local recovery-based community around art. CAiR was born from the basic idea that people recovering from substance misuse have incredible talents within them—talents that can be an avenue toward healing. CAiR nurtures these talents, creating a safe space for healing.

CAiR offers free, creative, self-expression workshops to people with at least 24 hours of sobriety. CAiR workshops cover a diverse range of subject-matter offerings: visual art, music, creative writing, meditation, and more. Workshops are run by local artists, musicians, and writers who are members of the Denver recovery community.

At CAiR, we believe that art and good company make our recovery journeys beautiful. We foster connection within our workshops. We also build community by offering free events, art shows, and more. Align your business with hope, recovery, and healing by becoming a CAiR Sponsor today! We offer many different ways to get involved starting at just \$300!
