

POETRY CLUB

WITH RYAN FLANNIGAN

Drop in and work on your poetry with fellow poets. We come together as a community to help each other grow our craft — whether it's by providing feedback, advice, an audience, or just someone to silently scribble with. All skill levels are welcome. A low-pressure, support space to work on what you want, how you want.

Wednesdays, January 22nd and February 26th

6:30pm to 8:00pm
