Colorado Artists in Recovery (CAiR) is a local recovery-based community around art. CAiR was born from the basic idea that people recovering from substance misuse have incredible talents within them—talents that can be an avenue toward healing. CAiR nurtures these talents, creating a safe space for healing.

Funds raised at this event help to fund the creativity workshops we offer at no cost to individuals who struggle with substance use disorders and mental health challenges. These workshops include art, music, dance, poetry, yoga, and meditation classes to help create a community of support for individuals who are choosing a life of recovery and healing.

At CAiR, we believe that art and good company make our recovery journeys beautiful. We foster connection within our workshops. We also build community by offering free events, art shows, and more. Align your business with hope, recovery, and healing by becoming a CAiR Sponsor today!
